## NOTES FROM YOUR COMMUNITY MANAGER

- ◆ **Reminder to Owners:** If you rent your property, your renter must register with the Villages' Office. They need to provide age verification and if they have a dog, a pet registration and immunization records will be required. Also, the renters need to know the Rules and Regulations, a copy can be obtained at the office. Gentle reminder...renters have the same responsibility as owners to follow the rules.
- ◆ We have made changes to the RV Storage Agreement. Each storage lot renter will be required to complete a new Agreement and provide proof of insurance along with a copy of their updated RV registration. We have a large list of owners who are looking for storage space, which might force us to only allow one space per unit (Lot).  
Reminder - RV Storage invoices will be mailed out in early May.  
Your RV Storage fee is due June 1st and late after June 15th.
- ◆ **Reminder:** When our Winter folks come back to the Villages, please be sure to change your mailing address. The Post Office will not forward mail.
- ◆ **Owners:** If you are receiving paper statements from FirstService Residential, these statements are not forwarded (by postal service). When arriving or departing the Villages for the season, please update your address, in writing, with the Villages' Office to ensure you continue to receive your statements on a timely basis.

## ARCHITECTURAL COMMITTEE

### A-C NEWS FOR YOU: "Processing Your Projects"

Hi folks,

It's Spring, and the weather is warm and great for outdoor projects. Just a reminder, **before you start** your outdoor projects that will change the appearance of your lot or the outside of your house, **First, please read** your copy of the ***CC & R's, Articles 3 & 4***, to be sure you are planning a project that is in compliance with the HOA rules. These rules are established to help ensure that our community remains neat and beautiful. The purpose of the \**Architectural Committee* (A-C) is to help you understand the rules, and to ensure the continuity of the beauty of our community.

**Next**, pick up a "*Request For Change*" (RFC) form at the office. It is a simple 2-page form. Neatly fill out the RFC and **turn it back in to the office ON OR BEFORE the first or third Monday of the month**. The Architectural Committee (A-C) will review your application, and meet with you regarding any questions you or we may have (*we meet on the first and third Wednesday mornings at 9 AM in the Card Room at the Club House*), and issue a yellow permit at that time. *Place the permit where it can be seen from the street (in a window, etc.).*

**Finally**, when your project (s) is finished please **sign the back of the yellow permit and turn it back in to the office**. This lets us know that your project (s) is finished. If you need an extension of time, let us know and we will work that out with you.

The members of the A-C are also home owners in the Villages, and are volunteers. We are here to help you to make improvements to your property according to the HOA rules and are very willing and happy to talk with you any time.

Your Friends,  
*Your Architectural Committee*

*"Committed to Our Home-Owners' Service"*
