RECREATION COMMITTEE

If you are a resident at the Villages (owner or renter) you are a member of the Recreation Committee. We meet the second Wednesday of each month at 10:00 AM in the Card Room. Please consider attending a meeting, especially if you would like to volunteer to help or you have an idea of an event or activity that you feel might be something the Village residents might enjoy. Remember that any activity or event **MUST BE PRESENTED TO AND APPROVED BY THE RECREATION COMMITTEE**. If you would like to begin playing a game or any new activity, please come to a meeting to get this approved first.

We hope you will join us at the St. Patrick's Day Dinner on March 17th. Enjoy a meal of corned beef, cabbage, potatoes, carrots, dessert, iced tea and lemonade.

If you are not getting the Weekly Reminder, please give the office your e-mail address to begin receiving this message. It goes out blind so no one will be able to see your address.

VOLUNTEER....We hope you will think about volunteering, it can be fun and you can try new things, meet people and make a positive difference in the Villages. There are many reasons to volunteer, plus...a volunteer luncheon is offered to give the opportunity to say a huge "thank you" to all those who help!

NOTES FROM YOUR BOARD OF DIRECTORS

We, the Board, have decided that more than one Board Member will be required to sign any contracts for work to be done, effective January 2018.

Again, we ask that all members of the Villages be more aware of the CC&R's. The Board has decided to take whatever action is needed to enforce the rules. Starting with a notice, if a violation is not rectified, we will begin the fine procedure, which eventually can lead to legal actions costing us all money.

Examples of some of the most common and easiest violations to remedy:

⇒ Parking of vehicles in the proper place

Read CC&R's 3.5.6, page 9

⇒ Nuisances and maintaining property

Read CC&R's 3.8, page 11 and 7.4, page 22

Let's keep our properties looking good to help maintain property values and attract future buyers.

⇒ Pets Dogs must be kept on a leash except in the dog park. Also, they are not allowed on other people's property.

Read CC&R's 3.5.7, page 9-10

A-C* NEWS FOR YOU: "OUR LOT IMPROVEMENT PROJECTS"

Well, Spring is upon us. It's just about time to get outside and plant flowers, paint, and make improvements on our lots. The **Architectural Committee*(A-C)** would like to remind you of *some* of our basic community guidelines as specified in our CC&Rs and the "Architectural Rules".

- ⇒ We are allowed to cover only 50% of our lots with a roof.
- ⇒ All buildings must have Rain Gutters to prevent water runoff onto the neighbors' properties.
- ⇒ Fences must be limited to four (4) foot height.
- ⇒ No permanent structures or trees may be established on the Public Utility *Easements* or in the side *Set Backs*.
- ⇒ Regarding *new trees*: there are certain trees that are not acceptable.

There are **more guidelines in the CC&Rs, Section 3**. In general, **before most outdoor projects (yard and outside of the house) can be started** a "Request For Change" must be submitted to the Architectural Committee. These can be picked up at the Office. According to the CC&Rs, *the Architectural Committee must approve all of these types of projects before they are started*. The Committee will, upon approval, issue a **yellow Permit** to you, which must be displayed so it can be seen from the street during the project. When the project is finished, the yellow Permit must be signed and turned in at the Office. **ALSO, be sure to check with the Town of Prescott Valley for permits.**

The Committee tries hard to approve all projects, as long as they are in compliance with the CC&Rs. *If there is a problem*, we will work with you to help you figure out how to get your goal achieved according to the rules.

Your Friends,

Your Architectural Committee

BLOCK WATCH

“Creating Safer Neighborhoods One Block at a Time”

Basic Fire Evacuation Procedures, Part III

Many of Villages residents are without immediate family help so we must rely on each other in time of needs. For that, being prepared is preferred over letting panic dictate our actions such as exhibited during the Goodwin Fire. The February 2018 article briefly explained the procedures and agencies that will advise us of our situation, and if and when we need to evacuate or be ready to shelter in place.

Fires are not always predictable, so you should always be ready to leave immediately or within a specified amount of time or shelter in place.

The “Go Bag” – This should contain medical items and medicines critical to your health, important irreplaceable papers, pet needs etc. Keep them in some kind of bag or container so you can grab them quickly if advised to evacuate immediately.

Shelter in place – FEMA recommends we have a disaster supply kit on hand for the first 72 hours after a disaster should emergency responders not be immediately available. You can find kit content recommendations online by searching for that particular information or by contacting me.

Let the office, neighbors or Villages’ emergency volunteers know when you are away. Fill out Yavapai County Emergency special need forms which includes any physical assistance or specific medication needs. If asked to evacuate, PLEASE SIGN IN TO THE DESIGNATED RED CROSS SHELTER, EVEN IF YOU ARE NOT PLANNING TO STAY THERE. This information is critical for maximizing the time used by responders in locating residents and advising and having the proper information and supplies to help those that need it.

Please contact me if you would like any more detailed information or would like to become involved with Villages’ Block Watch or Emergency Preparedness.
