Recreation Committee

With the suspension of all Village activities , we had a birds eye view of how dull life would be if we didn't have the wonderful affairs and associations that we normally enjoy. How blessed we are to live in such an active community, and many thanks to all you "Villagers" who make this possible.

It's been said that April Showers bring May flowers, but in the Villages rain never dampens our enthusiasm for living. Not when we have gatherings like Happy Hour, Pot Luck Dinner, Saturday monthly movie, walking exercises along with cards and games galore. Join us for some of these activities so we can get better acquainted, and we would love to see you in the Card Room, when the Recreation Committee meets again.

"The Responder Awareness event is on hold unit further notice. The decision to go ahead, reschedule or cancel will be based on the progress made in controlling the coronavirus issue and availability of the responder agencies."

Notes from the Board

In regard to the coronavirus the Board wishes to thank each and every Villager for their unprecedented co-operation during these trying times. The response to the ROBO call asking for volunteers to help those who might be in need was overwhelmingly successful. We especially want to thank Harry and Jeanine James for all they are doing, getting groceries, delivering and just taking care of people. Thank you all.

To continue to be on the safe side, we are extending the cancellation of all meetings, activities and club until Thursday April 30, 2020. This extension will be reviewed in mid April.

You Village residents are the greatest and the Board is humbly sending you a THANK YOU!

Nomination and Election of Directors for 2020 the Chairman for the Committee – David Cortez and the two Association members are Jane Ballard and Laurie Koopman. Further information will be forth coming in the May Crier.

ARCHITECTURAL COMMITTEE NEWS

“DO YOU KNOW ??”

By Rick for the Architectural Committee

DO YOU KNOW who-all comprise the HOA's 7-member Architectural Committee?

Well, the Chairman is a Board Member, Rob Sheaffer. The Vice Chairman is Bill Johnson. The rest of us are Carl Shulak, Sylvia Cortez, Nancy Larson, John Black, and Rick Merrell. Our new Intern is Liz Brooks . We are truly at your service.

DO YOU KNOW what the procedures are, as required by the CC&Rs, for making any improvements to the outside of your home or on your lot? Please remember to **FIRST** read the CC&Rs and the “Architectural Committee Rules & Regulations.” **THEN** submit your plans on the HOA-required “Request For Change” (RFC), to the Architectural Committee (A-C), at the front office. You may start your project **AFTER** you receive our yellow Permit.

DO YOU KNOW that this must be submitted BEFORE YOU START the actual work on your project. This includes painting and major repairs. You may pick up an RFC at the Villages' office, and turn it in there when the RFC is filled out. Turn the RFC in by the Friday BEFORE our next meeting. The A-C will go over it with you at that meeting.

DO YOU KNOW that it is VERY IMPORTANT that YOU or your representative **ATTEND THE A-C MEETING** to discuss your plans with us, and to receive your HOA Permit. The A-C meets every 1st and 3rd Wednesdays at 9 a.m., in the Card Room. Everyone is welcome – our meetings are open. If you have questions or just want to observe how the A-C works, you are welcome.

Our purpose is to help our community to maintain its beauty and property values.

Your Friends and Neighbors,

Your Architectural Committee

“Committed to Our Home-Owners' Service”

Wood Shop News

Last month I told you we had a wood shop that is well equipped and has projects from easy to much more challenging available for you. Here is a sample of what can be done in a short time with really no cost to you.

The cedar wood this project is made from is available in the shop and the pattern must be too or you can use your own.

It sure makes a lovely gift and is a fun project that you can see results from in a short time. While you are in the wood shop you will be spending your time with good people willing to show you what to do. This is cut out of Cedar wood that is waiting for you in the wood shop.

If I heard correctly, a band saw, drill press and sander were used to make this project. Yes, folks are there to show you how to do it and to do it safely. You may want to put some kind of finish on it but it really could be done with out it. But again, the folks in the shop can advise you how to do it. Now put it on a bottle of wine

Now add some glasses and some ribbon and you have a great gift. And you made part of it. Hope to see you in the shop soon.

Subject: Leptospirosis Vaccines

As a friendly reminder and request to protect the health of your pets, it is highly recommended you have your pet vaccinated for Leptospirosis in addition to the normal rabies/distemper vaccines.

The Yavapai Humane Society Wellness Center charges \$25 for the initial shot, but you will need to have a booster shot 3 - 4 weeks after the initial shot, also at a cost of \$25. Your dog will then be fully vaccinated for Leptospirosis for a full year. After a year you will then only need one shot to have continued protection from Leptospirosis for your dog.

The Yavapai Humane Society does not charge for the visit, so all you pay for is the cost of the vaccination. Wellness Clinic operates on a walk-in basis on Saturdays from 8 AM to 4 PM with no charge for the office visit. It is on a first come basis, so expect a little bit of a wait, but the line moves quickly. You can make an appointment Wednesday through Friday for an additional \$25 office visit charge if you find that more convenient.

AROUND THE NEIGHBORHOOD

Amazing Mazie

By Peggy Malsom

Anna May Conarty (also known as Mazie) splits her time between Casper, Wyoming, in the summer and The Villages in the winter. She attributes her overall well being to enjoying life every day. Coping with life's challenges wasn't always easy, but this woman does not feel sorry for herself at all. Instead she takes that energy and directs it in a positive way.

Mazie was born in Toledo, Ohio. Her family moved several times due to her father's job promotions. She remembers a strict mother and the frugal Depression era days when "criminals were scarce, but starving people were many." She graduated from Colorado College in Colorado Springs, Colorado, and went to work for TWA in Chicago.

She married Roger Conarty who served as a Company Commander in WWII, a nuclear physicist at the Pentagon and a Professor of Physics at the U.S. Military Academy at West Point. In their 55 years of marriage they were stationed in many countries and visited many more. After his retirement when she was 45 years old, she returned to college and completed her BS in Nursing. She became head nurse in cardio and ICU units. She retired at age 62 after working as a nurse for Caribbean Cruise Lines.

Currently she stays active at the Villages participating in numerous activities including pickleball, Zumba, line dancing, mahjong and more. During her summers in Casper she takes free classes at the local junior college, walks her neighborhood parks and lifts weights at the local spa. She supports historical monuments including Ellis Island and the WWII Museum in New Orleans in her husband's honor. She volunteers for Food across the Rockies, attends plays supporting acting scholarships as well as monthly concerts and plays bridge, mahjong, and pickleball. Whew! She attends the Methodist church every Sunday and volunteers when they need her help.

Mazie values her family and friends all over the world and stays in touch with them, her children and grandchildren through social media. She believes in staying honest as well as the rights as a U.S. citizen to honor and cherish our Constitution with honesty and integrity. Her personal philosophy on life is "been there, done that" and "do whatever works best and forget it". Her way of living is to move on and not dwell on things you cannot change.

This story is excerpted from a longer piece titled "Older Adult Life Review Interview" written by her granddaughter-in-law. It is signed "We love our grandmothers, Russell, Dianne, Kianna" so I am uncertain which is the author, but I want to give due credit. The author states "This woman (who she calls A.C. for Anna Canaarty) is a walking example of how I want to live my golden years, and she inspires me to live each day to the fullest. She is hip, funny, resilient, and has kept up with the time."

It was submitted to me by Maggie Cannizzaro who adds one more detail about Mazie: "She will be 90 this coming September and is amazing."

Dog Owners

If you would like a photo of your dog on the bulletin board at the dog park, please submit a favorite picture with your dogs name on it and I will hang it up.

If you don't want your photo to hang up after it is sun faded, include several copies so I can replace it when needed.

Walking Exercise

Come join us for video walking
exercises with Leslie Sansone.

You can walk up to three miles, if you
choose. We do different steps and
arm movements as we walk in place.

Wear comfortable clothing and bring
water so you can stay hydrated.

We exercise every **Monday,**
Wednesday, and **Friday** in the

Social Hall at 9:00 am.

Thank you everyone who has been donating. Please keep it coming. The animal shelter needs dog and cat food. Treats. Maybe some toys. Tennis balls are a hit. Please leave in my carport. In bags please, clean items please. Thank you again, it means so much to them.
Patti Toothman.

Blessings
