There is a wealth of information about The Villages on our website: www.villagesatlynxcreek.com

The Villages history section under the tab “About Us” is especially interesting. Mike Smith does a great job with keeping this site current.

The Zoom format for Board workshops and meetings has improved significantly. We urge you to attend via Zoom if you are not able to be there in person.

NOTES FROM THE BOARD

The board continues its attempts to improve our community. The Rec Center has a more modern look with a new artistic design at the entrance and a fresh coat of paint. The fine schedule and appeal policy were updated to conform with Arizona state law, and CCRs will be enforced more strictly.

Nextivia was recently implemented as the office telephone system. Guardian Water & Power was contracted to handle the meter reading, billing, and customer service for the pass-through electric bills. The repaint color committee has completed its task of identifying appropriate color combinations for future repaint requests. Our insurance agent recommended some additional coverage, and also found an alternate carrier to reduce our premium significantly.

We appreciate your comments and questions about these changes, or other suggestions that you would like to see happen here in our community. Please call or email. We are here for you.

The Rec Center areas that are open include the dog park, tennis courts, pickleball courts, laundry room, spa room, fitness center, billiards room, library, and the pool area (the pool is not yet heated) during the hours of 7 a.m. to 10 p.m. The craft club has many activities happening in the Activity Room. The Social Hall is open for some meetings, events, and activities (such as chair yoga and line dancing). We look forward to opening more activities and events soon. If you are the lead for an activity or event that you would like to start, please submit your request to the office for board approval.

The office staff is able to handle many resident needs via phone call or email. (Please note the recently-changed email addresses for Gail and Jeanine.) The office door is open from 11 a.m. to 1 p.m. for residents to come in and take care of business that cannot be conducted by phone call or email. They appreciate your making an appointment.

Monitors

Chris Jahn 515-227-0496
Nancy Larson 218-553-0781
Wayne Hallford 602-565-4730

What do the monitors do?

The monitors are responsible for locking and unlocking all the doors and gates, patrolling the park looking for anything out of the ordinary and making notes of possible violations. Most importantly, making sure the streets are clear for Emergency Vehicles. **Reminder:** There is no over-night parking on any of the streets in the park. The streets must be clear for Emergency Vehicles.

From the Board:

The monitors do not do police work. They are not security guards. If you have an emergency or see a crime in progress, immediately call 911. If you see something that requires police involvement but is not an emergency, call the Prescott Valley Police Department Non-emergency Phone Number 928-772-9261

Beginning next month, a Monitor Schedule will be included in the Crier.

Please don't call the Monitors with a question the office, or a Board member can answer. The rules the monitors are asked to enforce are available online or in the office. The monitors do not have all the answers, but will try and get those answers as soon as possible!

Wanderings...

Now, before I get into all the descriptions of the actual ruins we went to see...the drive to Cortez, CO - where we stayed - is spectacular! If red rocks and tall pines are your speed, this is the drive to make. The route takes you by The Four Corners Monument, but I can't comment on that because it's closed. It's been closed all three times we have been by! Our hotel in Cortez was decent. Cortez is a really nice mountain town. Breakfast at Pippo's Cafe was amazing! Highly recommended.

Who were the people that built and lived in these incredible constructions? Ancestral Puebloans. The same ancients that would later migrate to the great state of Arizona! These people lived and thrived in communities on the mesas for over 500 years. Current science can't quite explain why they decided to build and move into these spectacular cliff dwellings. Even more unexplainable is why they only stayed in these cliff communities for about 100 years! Then, where did they go? No one is quite sure why they left "The Land of the Ancients". Some came to the Northern Arizona area, some to Northern New Mexico, but the majority of these people just vanished after leaving the cliff dwellings.

The drive through the park is the best way to see these amazing ruins. Take a few hours so you can stop and all the points of interest. The walk-ways are paved and the walks are short, most are even wheel-chair accessible. You will see and learn about the ancient lifestyles from Pithouses to Pueblos to the cliff dwellings. Cliff Palace is the picture most have seen and words cannot describe what these people were able to do. Make a donation and grab the reading at each site to learn about these people and how they lived. From one spot on the drive, you can look around the canyon and see no less than 6 separate cliff dwellings! If you have a camera with a good zoom lens, this place is why it was made! Spend a day and marvel at this World Heritage Site.

We crossed Mesa Verde off our bucket-list. You should do the same! Next month...London Bridge!

RECREATION COMMITTEE NEWS

First, a big welcome to the many Newcomers to the Villages. Remember that every resident is a member of the Recreation Committee and we hope you will come to the April meeting on Wednesday, April 14th in the Social Hall at 10:00 AM.

Activities are beginning to open and all you need to do is get the room reservation form in the office and follow the Covid guidelines. We just had the Scavenger Hunt which was fun as usual. The information for the Easter Passover Luncheon is on the pillar just outside the office door. The white boards give more information such as what is going on with the Craft Club.

Since we haven't been able to raise money with the lack of events, Marlee Eshelman has donated a **THREE WHEEL CRUISER BIKE** for the Rec Committee to raffle off. Tickets are \$1 each or 7 for \$5. The bike is on display in the Social Hall. The drawing will be at the 4th of July Event. Tickets are available at all the events.

We are hoping to meet our quota for the BLOOD DRIVE. Go to redcrossblood.org and enter the zip code 86327. The blood drive will be here at the Villages on April 21st from 8:00 AM to 1:00 PM.

If you haven't been to a Newcomers meeting, please join us in the Activity Room on April 22nd at 10:00 AM. Hope to see you on the 14th at the Recreation meeting.

The need is constant.
The gratification is instant.

Give blood.

ARCHITECTURAL COMMITTEE NEWS

“Changes On The Committee’”

By Rick for the Architectural Committee

Hi Folks! For those of you who have come back for the summer, welcome back! It is spring time now, and everything that's green and flowery is starting to grow again. Many of you will be starting up “home improvements” around the outside of your homes and lots. Don't forget to submit a **“Request For Change” (RFC) BEFORE YOU START your projects.** This is important, because if you start a project before you get your permit from the Architectural Committee, the Board and the Committee can stop your project until you get a permit. We really don't want to go there, so please submit your RFC first. **The RFCs are available** at the main office. Jeanine James will provide you with an RFC. **Please completely fill it out, include all dimensions and other details.** Then, return it to the Mail Slot next to the front door of the main office.

The Architectural Committee has undergone some changes. We have a new Chairman, **Al Myers**, and a new Vice Chairman, **Gary Mincy**. We also have a new apprentice, who is **Richard Crowell**. Congratulations y'all, and welcome aboard! Sylvia Cortez and John Black, who have been with us for many years, have stepped off the Committee. We thank you, Sylvia and John, for your service and for the contributions you made on this committee. You will be missed! Also, the Committee is working to make improvements and streamline the RFC process. One area that was mentioned at the HOA Workshop last month is making it easier to know what house exterior paint colors are permitted. This will be good news for both the committee members AND our home owners.

Our Architectural Committee now consists of

Al Myers, Chairman; **Gary Mincy**, Vice Chairman; and, members: **Bill Johnson**, **Nancy Larson**, **Carl Shulak**, and **Rick Merrell**, and our apprentice, **Richard Crowell**.

Your friends and neighbors,

Your **Architectural Committee**

Village Kitchen is Open for Take-Out Events Including Easter Lunch

The Recreation Committee is planning an Easter Take-Out Lunch on April 4th.

The menu will be: Ham, Roll, Marinated-Pasta-Vegetable Salad, Easter Egg, and Gelatin Dessert for \$7. We will follow the same protocol as Valentine's Day dinner using the Office drop box, with an envelope including guest information and cash. Pick up your envelope in the old Crier Box near the Office. Guests may select take-out or delivery between 11:45 AM and 12:15 PM in ten-minute intervals. Pick up orders will be taken out to your car near the Office entrance. Place your order by Thursday, April 1 at 2 PM.

Some of the residents have inquired about the Village Kitchen and Covid-19 virus protection. Stephanie Mahoney has passed the Kitchen Manager's Test, a Yavapai County Health Department requirement for all licensed kitchens. Stephanie says, "Many food-borne illnesses are caused from poor kitchen procedures, so if we follow Time and Temperature, handwashing, and sanitation procedures we should prevent the spread of bacteria, viruses, fungi, parasites, and toxins. Due to the Corona Virus Outbreak, we are also recording the volunteer's temperatures, wearing a mask, hairnet/ hat, and trying to social distance in the work space." The CDC stated on Dec 31, 2020, "Currently, there is no evidence to suggest that handling food or consuming food is associated with COVID-19."

Renew Your Food Handler's Cards at the Prescott Location Yavapai County Health Department

Food Handlers Cards in Yavapai County need to be renewed every two years. Last year, we were unable to organize a class in the Social Hall due to Covid-19. You can renew your card at the County Health Department located at 1090 Commerce Drive in Prescott. You will need to provide a Government issued ID such as a Driver's License or Passport, have completed the questions in the food handler's book, and wear a masks. Tell them you are a VOLUNTEER at the Villages at Lynx Creek. Volunteer cards are free, a two-year card for an employee will cost \$15; there is no need to pay the fee. You may be asked to take a test; volunteers generally do not need to take the test. Follow the directions on the cover of the booklet. Get your free booklet at the Prescott, or Prescott Valley Yavapai County Health Department office or online at www.yavapai.us/Portals/39/EH/FWTBook12-19.pdf Thank you for volunteering in the Village Kitchen.

Please give the Office a copy of your card. You can also use this card to volunteer at CCI, CASA, Meals on Wheels, and other charity kitchens. We hope to offer the class in the Social Hall once Covid-19 is under control.
