# Notes from the Board

MaryAnn Schulte

The next HOA meeting will on Thursday, April 21, in the Social Hall at 2:30 p.m. We encourage all residents to come and voice your opinions. We especially appreciate residents who take the initiative to research potential areas of improvement and have that information readily available for the board to make their decisions.

Here is some information about the upcoming board of directors election: This year, the election will be held to fill two positions on the board.

The election determines the two candidates who receive the most votes – they will serve on the board for a two-year term. Candidates are not running for a specific officer role, only to fill a position as a board member. After the annual meeting in July, the board members vote among themselves to determine who will serve as President, Vice President, Treasurer, Secretary, and Director-at-Large for the upcoming year.

For more details about voting, board of director responsibilities and officer positions, you can refer to our Bylaws on our website – Articles IV, V, VI, VIII, IX. [www.villagesatlynxcreek.com/uploads/1/2/6/8/126821372/by-laws.pdf](http://www.villagesatlynxcreek.com/uploads/1/2/6/8/126821372/by-laws.pdf)

Also, be sure to review the Election Schedule in this issue.

Thanks so much for your involvement in our wonderful community.

## 2022 BOARD OF DIRECTORS ELECTION SCHEDULE

**April 1** Candidate Applications will be available at the HOA office. If you would like an application to be emailed to you, please contact Jeanine or Gail at 928-772-7047. (See below for Candidate Eligibility.)

**May 13** Deadline (Close of the Application Period) to return completed Candidate Applications to the HOA office, and given to a member of the office staff during their normal business hours. Eligible candidate names and resumes will be published in the June Crier.

**TBA** The Nominating Committee will host a “Meet the Candidates” forum, so that residents may ask questions directly to the candidates.

**June 1-13** Voting ballots are available at the HOA office during regular business hours for owners to pick up in person. You must wear your card key or show other identification indicating your lot number – only one ballot per lot. You may not obtain the ballot for any other homeowner. Please read and follow the instructions included with your ballot, so that your ballot will not be disqualified. After completing your ballot, you may return it to the HOA office in person or send it via regular mail. We urge you to pick up your ballot and return it in person, in order to save on mailing expense, and also to assure that it is received by the deadline.

**June 14** The notice of the 2022 Annual Meeting and any remaining ballots not picked up in person will be mailed out to owners at their address of record. Make sure that our HOA records include your correct mailing address for you to receive your ballot timely.

**July 13** The Annual Meeting will begin at 2:00 p.m. Ballots received at the HOA office on or before 11:00 a.m. will be counted beginning at 11:30 a.m. until completed by the ballot-counting team of volunteers. Meeting attendees will have an opportunity to submit their ballot, if they have not already done so. The results of the election will be announced at this meeting.

**CANDIDATE ELIGIBILITY** Per The Villages at Lynx Creek Owners Association Bylaws, Article VI, Section 2: “To be eligible as a candidate, a person must be an Owner in good standing for not less than twelve (12) months immediately preceding the close of the application period and be in physical residence not less than six (6) of the twelve (12) months preceding the close of the application period. Previous interrupted Ownership and/or residency or rental shall not apply toward this requirement.”

The phrase “in good standing” means that the owner is not more than thirty days in arrears in their monthly assessment and has not had their HOA membership suspended.

If you have any questions, you may contact the HOA office at 928-772-7047.

The Architecture Committee has had a very busy first quarter this year with two weeks still to go. Some of the projects homeowners have undertaken are listed below:

- Replace shingles from hail damage last summer
- Fences
- Removing trees
- Pavers and concrete pads for parking
- New windows
- Painting
- One new park model
- Outside home maintenance

There is one area that we need to highlight – replacement of roof shingles. There has been a great deal of activity in this area due to last summer’s hail storm and getting a roofing contractor scheduled has been difficult to say the least.

Since the first of the year, we have received seven Requests for Change to replace shingles.

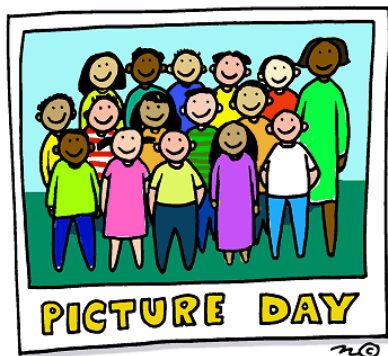

One was received after the new roof was installed. We are aware that two roofs have new shingles without an RFC.

The Committee understands that you have to be ready to act when a contractor is ready to go to work for you . We will not impede any critical work that needs to be done. It’s to your benefit that the work you have done is in your property file for future reference.

When making any changes to the exterior of your home, Review the Architectural Rules and fill out Request for Change from available in the office. When you consider projects as the spring approaches, please feel free to call any of the Committee members to ask about the Architectural rules or to solicit our input as you are making decision concerning your plans.

# REPORT FROM THE ASSOCIATION OFFICE

## NEW KEY CARD SYSTEM FOR THE COMMON AREAS

We have taken 480 pictures of our 680 (approx) residents for the new key card system for the common areas. We are planning to implement the new system the first week in April.

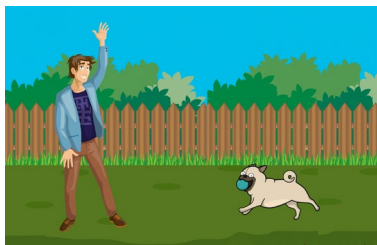

If you haven't gotten your picture taken -DON'T WORRY. Call the office three business days before you return to the Villages and we will arrange a time for you to get your new key card and picture.

Please note: there has been concern for those residents who are physically unable to take their trash to the compactor. **VILLAGERS IN NEED** will help you! Call the office and let us know and we will let your neighbors know that you need help! Also, if you have a caregiver (relative or not) who helps you, call the office and we will arrange for them to be able to use the compactor.

## DOG PARK GRASS

Dan & Joe are busy working on the Dog Park to aerate, thatch and re-seed the dog park. The new grass needs time to grow, so please use the gravel area near the tennis courts for play until the grass area is ready for play!!!

## FRONT FLOWER BED RENOVATION

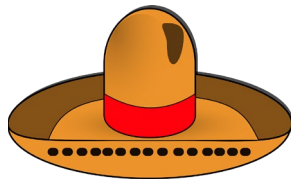

Thanks to the efforts of Steve Breyer, Sandra Hoffman and the maintenance crew, the flower beds in front of the office are getting a face lift! The renovation should be done by mid April

To volunteer in the Village kitchen or serve food you need a valid Yavapai County or endorsed Food Handlers Card. We will hold one class this year: Monday, May 16, at 10:30 AM, in the Social Hall. Please arrive at least 15 minutes prior to the class to register. Doors will open at 10:00 AM. Please bring a pen or pencil and a government issued ID such as a driver's license.

Please sign up in the Activity Room by Monday evening, May 19th. Remember you can use this card to volunteer at our kitchen at the Villages, CASA, Elks, Meals on Wheels, CCJ, and other volunteer positions. If you work in our kitchen, we need a copy of your card. We can provide you with a copy of your card to take to other venues. If you are employed at a professional kitchen such as restaurant, you will need to pay \$15 to purchase a two-year Yavapai County Food Card. (either cash or check, no cards). Volunteer cards are free.

Questions contact Stephanie Mahoney. Many residents have said that they learned new information to serve food safely at home such as how long food lasts in the refrigerator, minimum temperatures to cook food, and the danger zone for prevention of food borne illnesses.

Hi, name is Traci, I'm a Registered Nurse and I work for Aboost Wellness and we have been doing IV Vitamin infusions with amazing results. IV drips contain rich amounts of amino acids, B vitamins, minerals and other nutrients your mind and body crave when you are suffering from hangovers, recurring illnesses, low energy, jet lag and other conditions you just don't have time to deal with

Who want to drag themselves to a doctor's office, sit in a freezing waiting room for an hour and stand in line to get a prescription that takes hours to take effect? By then, day's gone and you accomplished nothing-except feeling sick for longer than you should feel sick.

The Aboost Wellness team is here to put an end to inconvenient doctor's appointments and expensive, slow-acting prescriptions medications. Now, you can have the "doctor" come to your location equipped with evidence-based, IV therapy your mind and body needs to feel great again.

The IV vitamin infusion team is here to help you get the kind of health boost you need without leaving your home or location. We have many different vitamin therapies along with multiple add-ons catered just for you. Call today to learn more about IV vitamin Infusions. Traci 707-951-8377. I live here in the Villages
