NOTES FROM THE BOARD

By Walter B. Ready

We had had a good Budget meeting where all residents' questions were addressed. Also, Bob Loskill, our new Treasurer has moved our reserve funds into higher interest-bearing accounts. He is being a very good steward of our money.

Gail Haugland, our Community Manager, has started having a meeting once a month so that residents' concerns can be addressed in a more informal way. The meetings are well attended.

It's getting colder but we hope the weather won't keep people away from our future meetings and activities.

MANAGER'S REPORT

October, 2022

Accomplishment:

The Finance Committee met and reviewed the September bank reconciliations.

The Budget Committee has met several times, focusing on Capital Expenditures and the Operating Budget for 2023. The budget has been finalized and will be voted on at the HOA meeting 11-17-22

The minutes of the Monthly Managers Meeting from October were emailed to all residents. Highlights:

Rich reported on all the work orders that have been accomplished by the Maintenance staff

Rich gave a plan on patching the holes in the streets – will be done in November

The storage Lot agreement was emailed to all residents and there was a lot of discussion and some changes to the agreement.

One resident was upset about a fine imposed and Rich and Gail met with resident to resolve the issue after the meeting

The staff is still working with the badge system on the Compactor and will hopefully have a resolution soon.

Thank you for all support and encouragement we receive in the office. We are working hard to help the Community and your kind words are a great boost to us!

Gail Haugland, Community Manager

Here are the rules on soliciting in the Villages:

Can you knock on a door with a no soliciting sign?

While a salesperson and other types of solicitors may have the right to be in your neighborhood, posting a sign on your individual property prevents them the right to knock on your door or ring your bell because you've posted an express desire that they are not welcome on your property for such purposes

No Soliciting Signs in an HOA

It's Springtime, and homeowners' associations are particularly attractive communities for commercial, religious, and political solicitors. The close proximity of homes, neatly manicured lawns, and accessible sidewalks lend appeal to neighborhood canvassers. So, what's a homeowner to do if solicitations are not particularly desired?

Signage is Posted – Is it Actually Enforceable?

Many associations, whether gated or not, post "No Solicitation" signs at the entrance (s) or throughout the community. **However, the First Amendment to the U.S. Constitution states that "Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances."**

So, what does this mean? It means that the door-to-door salespeople canvassing your community have a constitutional right to be there.

Since 1976, the Supreme Court has upheld free speech for commercial purposes. Now, that doesn't mean that the homeowner has no right to privacy on their private property. Read on for more information.

How to Keep Solicitors Away

If you are serious about keeping pesky door-to-door salespeople and other solicitors from bothering you at home, you will need to display a "No Soliciting" sign on your property (e.g., front door, yard, and/or window). However, before posting a sign, be sure to check your CC&Rs to see if prior approval is needed, as some HOAs strictly enforce signage rules.

While this is may not be very appealing to homeowners, this is the best way to deter solicitors. The Supreme Court has repeatedly ruled that many laws that restrict solicitation are unconstitutional, though privately posted signs are a legitimate way to tell salespeople and other solicitors to leave you alone. While a salesperson and other types of solicitors may have the right to be in your neighborhood, posting a sign on your individual property prevents them the right to knock on your door or ring your bell because you've posted an express desire that they are not welcome on your property for such purposes.

By posting such signage on your property, you are essentially telling those who solicit that they are not welcome on your property and are breaking the law if they do so. While it may not seem like much, this is the best action that you can personally take to deter solicitors. These signs are legally enforceable as means to prevent the homeowner from being disturbed.

The Difference Between Solicitation and Advertising

Typically, solicitation is considered door-to-door selling, which is different from someone leaving advertising material on the door. Hand delivery of advertisements is cheaper than mailing, but it is still a common form of junk mail. Basically, anyone who wants to sell something can use this tactic. There's not really much the homeowner or HOA can do, except to post signage and call to report frequent or repeat offenders.

MURDER DINNER PARTIES

Based on the boxed games, "How to Host a Murder" , dinner parties are for groups of eight adults (eight at each table). Food and attire are coordinated with the game themes. The games are played in a conversational manner with provided booklets containing facts, suspicions and accusations exchanged and discussed among the players of which any one has a reason to have been the murderer. Between the four scenes, appetizers, salads or soups, main dishes and desserts are eaten having been brought and/or paid for by the players. All is needed is a sense of humor and a light-hearted approach toward deceit, larceny and murder. It is said the games are so much fun, it's almost criminal! There will be a game every three months. The Crier will give the title and date in the preceding month's edition. Sign-ups will be in the Activity Room and the games will be in the Social Hall. The first game, "Hoo Hung Woo", coinciding with part of the two week Lunar New Year, will be Monday, January 23rd, from 4:00 to 7:30 pm. The description, player and food sign-ups, etc. will be in the Activity Room. For further information, contact Jan Edwards or Stephanie Mahoney.

MEET THE NEW REC COMMITTEE PRESIDENT

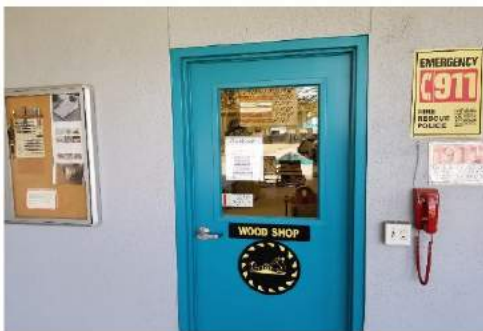

While many faces are recognizable at the Community Center, one that probably stands out is that of our new Recreation's Committee President, Cindy Steyer-Lukowiak. The former President of the Craft Club agreed to accept the current task as one more opportunity to serve the community. Cindy will continue to "head" Tuesday night Bingo and Thursday night Cornhole.

Cindy recommends volunteering as a great way to meet new people and learn about, the what and the why, that brings them out to be part of the different functions and activities.

One just needs to look at the Crier to see the special interest clubs such as the Computer Club, the Craft Club, Drama Club, and the Wood shop. She adds, "...that it is just plain fun to be involved in the different events..." Cindy's new role is an opportunity to be part of directing these functions, as well as the wide variety of games and classes available throughout the year.

Cindy is quick to add that the social hall provides many opportunities to be part of something bigger than the individual interests. She went on to say, her own shyness often got in the way of making new friends, and that by volunteering she is forced to be more social when it comes to breaking the ice in new relationships. She also added that the more people who are, "brave enough," to volunteer lightens the workload for some of the usual faces.

So, if you are looking for a way to meet interesting people that might become new friends, take a tip from the Recreation's Committee President, Cindy Steyer-Lukowiak, step up, and find a place to volunteer.

Many of you may not know we even have a wood shop. Well, we do and it is very well equipped. Table Saw, Band saws, Jig Saw, Chop saws, Drill Press, Sanders, 4 Lathes. We have handheld power tools and hand tools for every job. If you want to fix it, build it or refinish it, we probably have the tools to do it and folks with the know how to help you do it. Come on down on Tuesday or Wednesday mornings from 9 till noon. Oh, and we need more monitors to keep the shop open on the other weekdays so if you want to volunteer, we sure would be happy to have you. I included a picture of the front door and display board to encourage you to just come have a look around. Hope to see you soon.

CHRISTMAS FEAST

Social time for the Christmas feast will begin at 2 PM and dinner is served at 2:30 on December 25, in the Social Hall. Please sign up in the Activity Room prior to December 22 along with side dishes. Bring a dish that will serve 6 to 8 people for EACH person in your party (many residents bring family and friends to this event). Dishes will be shared with the Village community, not just your table.

The kitchen is providing ham and some turkey for those who do not eat pork. Side categories are POTATOES, BREAD, VEGGIES, SALADS, DESSERTS, and OTHER. Many residents bring foods that are a family tradition. Also, bring your beverages, napkins, plates, silverware and serving utensils. Some residents like to preset their tables early in the morning using their table wares or to reserve a table. Thank you to the HOA for funding the purchase of the ham.

COFFEE & DONUTS

Visit with your neighbors in the Social Hall every Wednesday at 7:30 AM. Bring your cup and a dollar donation for your beverage and a donut or banana. Ala Carte pricing available. Share some jokes, get caught up with neighbors, and Village activities. GHMS Choir will perform after Coffee and Donuts on 12-14.

Merry Christmas

Potluck

4th Thursday Potluck is canceled in December, due to the Christmas dinner.

Donations Appreciated

When problems arise, assistance is just a phone call away and we may be able to help. Resources are available for seniors in the Villages at Lynx Creek.

Light housework, grocery shopping, mail pickup, yard work, laundry, meals and more.

If you would like to recycle your egg cartons, please bring to me in lot 404. CASA Senior Center needs them for their pantry,
Thanks,
MaryAnn

The **Aluminum Can Trailer** that is next to the trash compactor has been placed there to dispose of aluminum cans. Harry James takes it off-site approximately once a month to empty. He has requested that you **place cans in a trash bag** before you put in trailer. **Please try to put individual cans in bags as well.** If you can rinse the can, also that would really help. The QuailWood Golf Course also adds to the cans that Harry picks up.

Thanks to Harry and Quailwood Golf Course !

Proceeds go the Recreation Committee for Future Activities

DOG PARK NEWS

There were 20 excited tail-wagging entrants in the Pet Costume Parade October 30th. The dogs were decked out in amazing costumes and the judges must have had difficulty picking out the winners. Pictured at far left is Harry James and his (non)dog named Ghost, which

was obviously the funniest entry. Ghost is (in)visible inside the red lines. The most creative costume was modeled by Wilson, held by owner Gigi Wright. The cutest award went to Abby, held by Nancy Larson and owned by Jan Edwards, who was also the award presenter.

Thanks to all of the participants, spectators, judges, Dog Park officers and parade committee members as well

as all the furry kids. A special thanks to Prescott Valley's locally owned Pet Headquarters and owner Robyn Hazelwood for three \$25 gift certificates for the prize winners.

If you would like a picture or an updated picture of your dog(s) posted in the Dog Park, please email it with your name and the dog(s) to Jan Edwards at jansirena@frontier.com.

K9 Corner News

We would like to send a Big THANK YOU to Linda and Fritz Kruse, Lot 54, for donating the two red benches to the Dog Park. That was very nice and they will be enjoyed for a long time.

We are very grateful.

From all the members of the Dog Park

Please help our little tree friends. We need food, treats, toys, rugs and towels. Please help our little kitties and doggies. They would love something special this time of year, they're waiting for their forever home. Drop-off at Lot #87. Patti T.

THANK YOU FOR VOTING US #1!

Ocean Blue Car Wash is one of the premier car wash and auto appearance centers in Arizona, offering you more choices and flexibility in your car care appearance and needs.

Established in 2004, Ocean Blue's express locations offer a 3 minute Express Exterior with Free Vacuums.

Ocean Blue Car Wash uses the exclusive Wave Wash process, which incorporates technologically advanced, closed cell materials such as Neoglide and MicroClean. These Micro Fiber soft cloth materials do not hold water, dirt or grit and thereby cannot damage your car's finish like other older systems. Both Neoglide and MicroClean fabrics are designed to be extremely gentle on today's soft, clear-coat cars. This, combined with a generous amount of rich, lubricating soaps, completely eliminate concerns about pulling and tugging on your car's exterior parts. The wash process has been proven to lengthen the life span of the finish of your car, thereby enhancing resale value.

Our Value Pricing and Speed of Service (3 Minute Exterior Express with Free Vacuums) can't be done at home, by a charity function, or at a gas station car wash.

All our services are performed by a staff of highly trained personnel who care about you, the customer.
