The Woodshop at The Villages

"My daughter asked me if I could make her a cutting board" our member told me as I was looking at his handy work. He went to the woodshop, found some scrap wood and began to assemble a cutting board. After some gluing, clamping, cutting and routing of the wood he had his cutting board assembled. Sanding followed and then the first coat of finish. That is when I saw it. It was beautiful and glistened in the sun. I hear it will take a couple more coats of finish to be ready for use. When I look at it I realize this is something I could do with a little help. Good news - there are people to help me if I go to the wood shop Monday thru Friday from 9 to 12. I could bring my own wood or see if there is more scrap available. Either way I can make any number of different things because there are plans, videos, magazines and people with lots of experience to help me.

Ladies and gentlemen, we hope to see you at the woodshop

**NEWCOMERS' MEETING
NOT TO BE MISSED
THURSDAY, JULY 28TH**

Living in a community like the VILLAGES can be such a fulfilling and wonderful experience, but knowing all about the different amenities and rules make life so much more simple. Do you have questions about what you can and can't do to your property under the C C & R's? Do you fully understand why you have two addresses? Are you aware of how you can know everything that is happening, if you don't live here full time? Would you like to know more about the activities and maybe even talk to the people who are in charge of them? Maybe you prefer not to be involved in the activities here, but you still need to know how to make your own conditions safe and comfortable. The next meeting will be in the Activity Room on Thursday, July 28th at 9:30. Everyone is welcome whether you are an owner or a renter. If you cannot attend the meeting, you are more than welcome to call me or stop by and I'll be happy to go over all the information with you. Our goal is to make your time here in our VILLAGES the very best possible. Hope to see you there or just give me a call and I'll come to you. Joyce Pinckney, Lot #113 phone number 702-239-2647. We will have donuts for your enjoyment while you learn.

Hi, name is Traci, I'm a Registered Nurse and I work for Aboost Wellness and we have been doing IV Vitamin infusions with amazing results. IV drips contain rich amounts of amino acids, B vitamins, minerals and other nutrients your mind and body crave when you are suffering from hangovers, recurring illnesses, low energy, jet lag and other conditions you just don't have time to deal with

Who want to drag themselves to a doctor's office, sit in a freezing waiting room for an hour and stand in line to get a prescription that takes hours to take effect? By then, day's gone and you accomplished nothing-except feeling sick for longer than you should feel sick.

The Aboost Wellness team is here to put an end to inconvenient doctor's appointments and expensive, slow-acting prescriptions medications. Now, you can have the "doctor" come to your location equipped with evidence-based, IV therapy your mind and body needs to feel great again.

The IV vitamin infusion team is here to help you get the kind of health boost you need without leaving your home or location. We have many different vitamin therapies along with multiple add-ons catered just for you. Call today to learn more about IV vitamin Infusions. Traci 707-951-8377. I live here in the Villages
