Notes from the Board

by MaryAnn Schulte

The next HOA meeting will be on Thursday, March 17, in the Social Hall at 2:30 p.m. There will be a status update of outstanding projects and some new business items to discuss.

At this meeting, the board will authorize a Nominating Committee and appoint a current board member to chair this committee, in addition to two homeowners who will assist. Also needed will be volunteers to prepare ballot packets for pick-up or mailing out and then count the returned ballots. Please consider volunteering and let the office staff know if you are interested in helping out with this important function.

This year, the election will be held to fill two positions on the board. The terms for Rich Mann and MaryAnn Schulte will expire in July.

The election determines the two candidates who receive the most votes – they will serve on the board for a two-year term. Candidates are not running for a specific officer role, only to fill a position as a board member. After the annual meeting in July, the board members vote among themselves to determine who will serve as President, Vice President, Treasurer, Secretary, and Director-at-Large for the upcoming year.

To be eligible as a candidate for the board according to our Bylaws, a person must be an owner in good standing for not less than twelve months immediately preceding the close of the application period, and must be in physical residence not less than six months of the twelve months preceding the close of the application period. Previous interrupted ownership and/or residency or rental shall not apply toward this requirement. An announcement will be made when candidate applications are available, usually around April 1.

The phrase “in good standing” means that the owner is not more than thirty days in arrears in their monthly assessment and has not had their HOA membership suspended.

The Bylaws more completely list the powers and duties of the board (Article VIII on pages 6 and 7), and also the duties of each officer position (Article IX on pages 7-8-9). Please review and consider running for the board.

If you are aware of anything in the common area that needs repair or replacement, please bring it to our attention by contacting the office or any of the board members. We rely on residents to notice things that we may not see, and we thank you for that.

President Steve Breyer 928-910-2707	Vice President Randy Wolfenden 928-710-6999	Treasurer Rich Mann 602-349-7043	Secretary MaryAnn Schulte 480-278-9339	Director-at-Large Sandra Hoffman 480-747-4015

He has requested that you **place cans in a trash bag** before you put in trailer. **Please try to put individual cans in bags as well**. If you can rinse the can, also that would really help. The QuailWood Golf Course also adds to the cans that Harry picks up.

Villages Mysteries

Dan's French Drain

If you ever walked past this, you've probably wondered what the heck it is!

Many stories have been told about what these stones could be or have been there for. Some said that it might be some sort of grave marker. Someone else said perhaps it was meant to be a planter of sorts.

Well, mystery solved. Many moons ago, when our very own Dan was much younger, there was an issue with flooding in that area. The rocks you see are what's left of a natural looking french drain that Dan hand-crafted.

The Stone Throne

Is this the coolest or what?! It sits under a tree behind the south RV parking area behind Jessie's shop down in the ravine.

The story goes that this "stone throne" was once a photo opportunity at one of the Quailwood Golf Course holes.

At some point they decided they didn't want it anymore and had it transferred on their property to where it sits now.

It's worth a hike down there just to check it out. Still a great photo opportunity!

Hi, my name is Traci. I'm a Registered Nurse and I work for **Abost Wellness** and we have been doing **IV Vitamin Infusions with amazing results**. IV drips contain rich amounts of amino acids, B vitamins, minerals and other nutrients your mind and body crave when you are suffering from hangovers, recurring illnesses, low energy, jet lag and other conditions you just don't have time to deal with.

Who wants to drag themselves to a doctor's office, sit in a freezing waiting room for an hour and then stand in line to get a prescription that takes hours to take effect? By then the day's gone and you've accomplished nothing-except feeling sick for longer than you should feel sick.

The Aboost Wellness team is here to put an end to inconvenient doctor's appointments and expensive, slow-acting prescription medications. Now, you can have the "doctor" come to your location equipped with evidence-based, IV therapy your mind and body needs to feel great again.

The IV Vitamin infusion team is here to help you get the kind of health boost you need without leaving your home or location. We have many different vitamin therapies long with multiple add-ons catered just for you.

Call today to learn more about IV Vitamin Infusion.

Oh, did I mention I live in the Villages?

Dearest friends,

Thank you for your prayers, monetary contributions, and kind words to our family’s tragic situation that began on July 9th, 2021; Trevor was an incredible husband, father, friend, and pharmacist, who continues to impact our lives! His empathetic attitude, contagious smile, and endearing presence is greatly missed.

Over the past several months, our family has been overwhelmed by all of the above mentioned support! The funds raised help our girls, and I, in our continued grieving process, pay for unexpected expenses, and allows our children to resume their normal and healthy routine; albeit, life being vastly different than imagined, moving forward.

I wanted to extend our gratitude to you, for the thoughts, prayers, and well-wishes. Your aid and encouragement has not gone unnoticed during this lengthy period of time. We are beyond grateful for what we have received and the blessings we continue to have, even after such immeasurable loss.

God Bless,
Jennifer Stupey
