# NOTES FROM THE BOARD

By Walter B Ready

Have you noticed that the Maintenance Department has taken care of many of the long-standing needs. Rich Mann is busy catching up with needed work. Everywhere you look, you see Rich running around and working. Joe has also pitched in to help with the cleanup. Thank you Rich and Joe for all your efforts to keep our Village beautiful!

Our recent storm caused havoc on many trees and roofs. Everybody is pitching in and helping each other get back to normal.

Many are leaving at this time of year to go back to other homes. We will really miss them. Fortunately, there are still many activities for those of us who stay here all winter to enjoy.

## MEET PEGGY DANSBY

Peggy and her husband Don, moved into the Villages in January 1997. She has done so many jobs to help make our Village what it is today.

The kitchen was always kept open for the residents to use. Soon, things were put everywhere and anywhere. Peggy spent many hours cleaning and organizing everything in the kitchen. She labeled all the drawers and cupboards for everyone's convenience. Without her original organization, the kitchen would not be what it is today. Others have taken over but the basis of what it is now is because Peggy worked hard to organize it. She kept it up for several years. She went in daily to check the kitchen and keep everything in good order.

Another job Peggy did for many years was keeping the white boards, the sandwich boards, and the poster display cases up to date with notices of upcoming events. She did this daily and sometimes it was after the sun set and so she went with a flashlight. She said it was cold at times, but she bundled up and went to the sites to erase and take down information when an event was over and to put up flyers and write about upcoming events.

Peggy oversaw the Welcome Wagon. She got the list of all newcomers from the office. She visited every single new family. If the newcomer were a snowbird who bought the lot or home in the winter but stayed in the valley for the winter, she would call and make an appointment to visit them when they were coming in the summer. She never gave up on contacting new residents. She bought pound cakes to give to all the newcomers at her own expense. She also gave them the Crier, CC Rs, maps, and other information.

She was also treasurer for the Recreation Committee for many years.

She ran the monthly movies, made the popcorn, and served the fresh baked cookies she made that day.

She kept up the real estate cases at the front of the complex. The real estate advertisers paid \$5.00 for 3 months of advertising. She contacted the real estate agents to remind them to renew their advertising, she also reminded residents to renew their information on homes and lots they were renting or selling. Keeping the real estate cases up to date took a lot of time and organization.

Another display case Peggy kept current is the Miscellaneous Items "For Sale" and Business Cards which is located by the pool.

Peggy and husband Don were on-call to take residents shopping, to medical appointments, to the senior center in Prescott Valley and various other trips. She says she enjoyed working with so many wonderful people over the years and the friendliness and willingness of the residents is what makes this community so special.

Thank you so much Peggy for all your work. Thank you, Don, for all the help you gave Peggy and our community.

# Thanksgiving Potluck

Social time for the Thanksgiving dinner will begin at 2 PM and dinner is served at 2:30 on November 24, in the Social Hall. Please sign up in the Activity Room prior to Nov. 21 along with side dishes. Bring a dish that will serve 6 to 8 people for EACH person in your party (many residents bring family and friends to this event).

The kitchen is providing turkey and gravy. Side categories are POTATOES, STUFFING, VEGGIES, SALADS, DESSERTS, and OTHER. Many residents bring foods that are a family tradition. Also, bring your beverages, napkins, plates, silverware and serving utensils. Some residents like to preset their tables early in the morning using their table wares or to reserve a table.

There will not be a leftover turkey soup potluck on Friday this year. A similar dinner will be on Christmas Day serving ham instead of turkey. Our HOA dues pays for the turkeys and hams for these events.

## RECOGNIZING A STROKE

Sometimes symptoms of a stroke are difficult to identify. Unfortunately, the lack of awareness spells disaster. The stroke victim may suffer severe brain damage when people nearby fail to recognize the symptoms of a stroke. Now doctors say a bystander can recognize a stroke by asking three simple questions:

**S\* Ask the individual to SMILE**

**T\* Ask the person to TALK, to SPEAK A SIMPLE SENTENCE**

(Coherently: It is sunny out today.)

**R\* Ask him or her to RAISE BOTH ARMS.**

(NOTE: Another "sign" of a stroke is this: Ask the person to "stick" out their tongue...if

the tongue is "crooked", if it goes to one side or the other that is also an indication of a stroke)

If you would like to recycle your egg cartons, please bring to me in lot 404. CASA Senior Center needs them for their pantry,  
Thanks,  
MaryAnn

Please help, Dog food, Cat food, treats, clean rugs and towels.  
Drop-off at Lot #87,  
Mesquite Tree Dr. North end.

The **Aluminum Can Trailer** that is next to the trash compactor has been placed there to dispose of aluminum cans. Harry James takes it off-site approximately once a month to empty. He has requested that you **place cans in a trash bag** before you put in trailer. **Please try to put individual cans in bags as well.** If you can rinse the can, also that would really help. The QuailWood Golf Course also adds to the cans that Harry picks up.

**Thanks to Harry and Quailwood Golf Course !**

**Proceeds go the Recreation Committee for Future Activities**

Hi, name is Traci, I'm a Registered Nurse and I work for Aboost Wellness and we have been doing IV Vitamin infusions with amazing results. IV drips contain rich amounts of amino acids, B vitamins, minerals and other nutrients your mind and body crave when you are suffering from hangovers, recurring illnesses, low energy, jet lag and other conditions you just don't have time to deal with

Who want to drag themselves to a doctor's office, sit in a freezing waiting room for an hour and stand in line to get a prescription that takes hours to take effect? By then, day's gone and you accomplished nothing-except feeling sick for longer than you should feel sick.

The Aboost Wellness team is here to put an end to inconvenient doctor's appointments and expensive, slow-acting prescriptions medications. Now, you can have the "doctor" come to your location equipped with evidence-based, IV therapy your mind and body needs to feel great again.

The IV vitamin infusion team is here to help you get the kind of health boost you need without leaving your home or location. We have many different vitamin therapies along with multiple add-ons catered just for you. Call today to learn more about IV vitamin Infusions. Traci 707-951-8377. I live here in the Villages

# THANK YOU FOR VOTING US #1!

Ocean Blue Car Wash is one of the premier car wash and auto appearance centers in Arizona, offering you more choices and flexibility in your car care appearance and needs.

Established in 2004, Ocean Blue's express locations offer a 3 minute Express Exterior with Free Vacuums.

Ocean Blue Car Wash uses the exclusive Wave Wash process, which incorporates technologically advanced, closed cell materials such as Neoglide and MicroClean. These Micro Fiber soft cloth materials do not hold water, dirt or grit and thereby cannot damage your car's finish like other older systems. Both Neoglide and MicroClean fabrics are designed to be extremely gentle on today's soft, clear-coat cars. This, combined with a generous amount of rich, lubricating soaps, completely eliminate concerns about pulling and tugging on your car's exterior parts. The wash process has been proven to lengthen the life span of the finish of your car, thereby enhancing resale value.

Our Value Pricing and Speed of Service (3 Minute Exterior Express with Free Vacuums) can't be done at home, by a charity function, or at a gas station car wash.

All our services are performed by a staff of highly trained personnel who care about you, the customer.
