ACTIVITIES SCHEDULE

In this issue you will see the ALL-NEW Activities Schedule. If something you enjoyed is gone, it's because whomever was previously in charge did not put in a room reservation. If someone wants to start the activity, all it takes is filling out a Room Reservation form and turn it into the office. I'm sure the Recreation Committee will approve, as long as there are no conflicts on the computer calendar. We hope the suggested change adding color to the four (4) rooms have made it easier for you to read it.

The EVENTS SCHEDULE will certainly change as more events are added to the 2023 Calendar. May you have a Happy, Healthy, and Joyous New Year.

RESIDENT SPOTLIGHT

Permit me to introduce you to **Stephanie Mahoney**, a gifted volunteer who generously leverages her education and experience to our benefit. She manages our kitchen with all the skill and aplomb of an accomplished chef, which she definitely is.

Stephanie is one of those rare "natives of the Southwest USA". Her Dad was a mining engineer in Jerome before moving to Silver City, New Mexico where Stephanie was born. When Stephanie was five years of age her family moved to Morenci, AZ where she took her elementary and senior schooling. With a mining engineer Father and a career nurse Mother it is not surprising that Stephanie diligently pursued post secondary education... and she did so on Arizona University campuses.

Stephanie earned her B.A. from ASU and obtained her Masters in Home Economics and Health Education from Northern AZ State University. Her first job, at the tender age of 22, was in Ajo, AZ. Interestingly, through the kindness of fate, two of her Ajo students – Dolly Sotelo (now Mathis) and Annette Leppert (now Leon) – live in our community. Stephanie moved from Ajo to Prescott Valley in 1984 to teach Home Economics at a middle school

(near enough to The Villages at Lynx Creek that she was able to watch our community being built). In 1994 "Home Economics" expanded to become a broad vocational class incorporating multiple life skills. Stephanie wholeheartedly embraced that evolution and became a "computers in the classroom" pioneer. In addition to the classic life skills they would need in "the real world" Stephanie taught her students to use Word, Excel and similar programs, as well as a photo and video editing application. She retired from that classroom in 2010. After spending a bit of time in Miami, FL acquiring some necessary credentials, she began teaching "How to Become a Chef" at what is now known as Mountain Institute CTED in Prescott. Graduates who transferred to Yavapai College were pleased to learn that Stephanie's classes were recognized as earned credits toward their continuing education. While at Mountain Institute she volunteered in the kitchen of the Coalition for Compassion and Justice. Working with Chef Brian she added catering experience to her resume by preparing meals for the First Friday Lunch in Prescott. In 2015 Stephanie accepted a cook's position at Spring Ridge Academy, a girls' school in Spring Valley, AZ where, working three and a half days each week, she prepared lunch and dinner for 70 students. This is when Stephanie really became "Chef Steph". Girls in their final semester were assigned to work with her in the kitchen. This was a job Stephanie TRULY LOVED because she was, in addition to teaching cooking, afforded the opportunity to once more teach critical life skills to young adults.

Stephanie moved into The Villages at Lynx Creek in mid 2017 (attracted by the water aerobics and our many other activities, she says). She immediately volunteered to help prepare the Christmas dinner only a few months later.

And the rest, as they say, is history.

As our interview drew to a close Stephanie offered a final personal comment, "It takes a village to make good things happen here and I really appreciate all the volunteers who pitch in."

MURDER DINNER PARTIES

Based on the boxed games, "How to Host a Murder", dinner parties are for groups of eight adults at each table. Food and attire are coordinated with the game themes. The games are played in a conversational manner with provided booklets containing facts, suspicions and accusations exchanged and discussed among the players, any one of which has a reason to be the murderer. Between the four scenes, appetizers, salads or soups, main dishes and desserts are eaten, having been brought by the players. All is needed is a sense of humor and a light-hearted approach toward deceit, larceny and murder. It is said the games are so much fun, it's almost criminal! There will be a game every three months in the Social Hall. The first game, "Hoo Hung Woo", coinciding with part of the two week Lunar New Year, will be Monday, January 23rd, from 4:00 to 7:30 pm. The description, player and food sign-ups, etc. will be in the Activity Room. To finalize preparations, including making enough copies of player booklets, the deadline for sign-ups will be Monday, January 16th. For further information, contact Jan Edwards or Stephanie Mahoney.

Let me tell you what a holiday celebration at Cornhole we had on Dec. 15th. We switched up play by throwing bags from a seated position, throwing with your non-dominant hand, throwing backwards and in the last game we turned the boards backwards. The finalists, Sheryl, Larry, Arlen and Dwain had to throw teddy bears instead of cornhole bags... What a blast! Thank you Cindy Steyer-Lukowiak for making us laugh! Thank you also to Mr. & Mrs. Claus for stopping by and letting us take pictures and to tell you what we want for Christmas. We play Thurs. evenings. Sign up at 5:30 and play starts at 6:00.

The **Aluminum Can Trailer** that is next to the trash compactor has been placed there to dispose of aluminum cans. Harry James takes it off-site approximately once a month to empty. He has requested that you **place cans in a trash bag** before you put in trailer. **Please try to put individual cans in bags as well.** If you can rinse the can, also that would really help. The QuailWood Golf Course also adds to the cans that Harry picks up.

Thanks to Harry and Quailwood Golf Course !

PASTOR RON NEVILLE

DO YOU LIVE ALONE?

If you are single and live alone, do you have a system worked out with a neighbor or friend to let them know that you are, OK?

If not, it really is imperative that you do so. How should you go about doing this? If you have friends here in the park, work out something like a blind opened each morning to indicate you are fine. If you don't know anyone here in the park, please call the office at (928)772-7047 and we will work with others to work out a plan for you.

Please realize how very important this is. Think about what would happen if you fell, could not get to your phone, and no one could hear your cry for help! We really want residents to be protected and this is very important. Just a call to the office to tell them you don't have anyone and you will be put in touch with someone who will see that action is taken. Please call!

Please help our Furry Friends. They need food (cat and dog), treats, toys. Drop-off at Lot #87. Patti Toothman Thank you for donating!

Yavapai Food Bank

Yavapai Food Bank is collecting!

We desperately need coats, sweaters and blankets for families in our community to keep them warm this winter. Any like new warm clothing is welcome. Please keep us in mind year round as you go through your winter or summer clothes. We hand them out free to families in need.

Please donate! I'll deliver or you can deliver to: 8866 E. Long Mesa Dr. PV (off Robert Rd.)

Hours are: Mon 8-1:00 / Tues & Wed. 8-5:00 / Thurs & Fri 8-3:00 Mornings are best as we serve clients in the afternoons.

Please, clean and nice items only! Thank you. Patti Toothman, Lot #87

THANK YOU FOR VOTING US #1!

Ocean Blue Car Wash is one of the premier car wash and auto appearance centers in Arizona, offering you more choices and flexibility in your car care appearance and needs.

Established in 2004, Ocean Blue's express locations offer a 3 minute Express Exterior with Free Vacuums.

Ocean Blue Car Wash uses the exclusive Wave Wash process, which incorporates technologically advanced, closed cell materials such as Neoglide and MicroClean. These Micro Fiber soft cloth materials do not hold water, dirt or grit and thereby cannot damage your car's finish like other older systems. Both Neoglide and MicroClean fabrics are designed to be extremely gentle on today's soft, clear-coat cars. This, combined with a generous amount of rich, lubricating soaps, completely eliminate concerns about pulling and tugging on your car's exterior parts. The wash process has been proven to lengthen the life span of the finish of your car, thereby enhancing resale value.

Our Value Pricing and Speed of Service (3 Minute Exterior Express with Free Vacuums) can't be done at home, by a charity function, or at a gas station car wash.

All our services are performed by a staff of highly trained personnel who care about you, the customer.
